TUESDAY EVENING, JUNE 1. THOMAS JEFFERSON'S MARRIAGE LICENSE. -In pursuance of a request from the legislature, the Marriage License Bond of Thomas Jefferson has been deposited in the State Li-

orary and is as follows: Jefferson to the King. Bond of Marriage License. Know all men by these presents that we, Thomas Jefferson and Francis Eppes are held and firmly bound unto our sovereign lord the King, his heirs and successors in the sum of fifty pounds current money of Virginia, to the payment of which, well and truly to be made, we blind ourselves jointly and severally, our joint and several heirs, executors and administrators. It witness whereof we have hereto set our hands and seal this twenty-third day of December, one thousand seven hundred and seventy-one.

"The condition of the above obligationtion is such that if there be no lawful cause to obstruct a marriage intended to be had and solempized between the above bound Thomas Jefferson and Martha Skeleton, of the county of Charles City, widow, for which a license is desired, then this obligation is to be null and void; otherwise to remain in full force. "Thomas Jefferson,

ICE DEALERS. Notice to Ice Consumers.

I desire to call the attention of consumers of Ice to the fact that I have on hand, and offer for sale during the coming summer, from 10.0 to 1500 tons of Ice, which I will deliver to any part of the city at

LOWEST POSSIBLE RATES. This Ice was collected in good condition from the Pond south of the Canal Basin; was formed entirely from rain and spring water; is free from mixture with vegetable matter; and it would be difficult to assign any reason why it should be inferior in purity to Ice gathered from the rivers of the North.

Ice cut from this Pond is now used at the residences of Col. C. F. Suttle and John B Daingerfield, esq., also at the Mansion House and City Hotel, with entire satisfaction to all. In assuming to carry on more largely the business pursued in a small way for many years by my father, I respectfully ask a continuation of the patronage which he enjoyed, with such additional trade as my increased efforts may
